## **Dispute Resolution in Derivatives – The ISDA Arbitration Guide**

**4 CLE Credit Hours Available (New York)  
Transitional and Nontransitional**

**Thursday, February 11, 2016  
One Bishops Square  
London**

### **PROGRAM AGENDA**

This symposium discusses considerations for market participants in the derivatives markets concerning which dispute resolution mechanism to adopt. If arbitration is chosen, we will discuss how to use the ISDA Arbitration Guide and further drafting considerations beyond the issues covered by the Guide itself. Different institutional offerings for arbitration will be presented followed by a discussion on how arbitration for financial disputes is different in practice.
